Our Services

Manage

We manage your hotel, residence, serviced or home offices and dining outlets either in separate projects or in a single mixed-use development. We craft the concept jointly with you to bring your vision to life and manage everything that ranges from hiring, to working with your designers and project managers, the sales and marketing teams, as well as the day to day tasks. Our brands have guidelines versus standards, allowing us to adapt and to maximise the success of your project.

Franchise

If you have the experience to run your own project and are just looking for a brand, then we can provide you with exactly this even if you are not very familiar with the whole concept of managing a property. As selective as we are, we love collaborations, and driven people; so, if there is a way we can make it work, we will do our utmost.

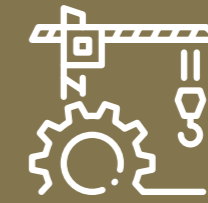

Manchise

If you want to fully own the management of your own project in the near future but you would like us to help in the initial stages, this might be a good choice. We will work closely with you and you will be able to run it independently after a while. Of course, we can keep managing certain functions if you prefer.

Hospitality Partner

We can become the extended arm of your development, assist with the hospitality aspects of the master planning and build your own hospitality team while we continue to create the right connections and partners. The purpose is to bring the right components that will make a wholesome destination come to life.

Community Build

Human-centric destination build is at the heart of our DNA. We curate spaces plugging-in concepts that serve as a catalyst to a new ecosystem, support the local community and bring local and international travelers to connect. Bricks and mortar alone, no longer create the value, the soul, the offering and curation of concepts; experience is what the consumers are looking for. We can collaborate with you on this.

Outsourced Revenue Department

Independent hotels or small chains can outsource their revenue function to our Revenue Centre built to support driving rates, visibility and increasing online traffic. If you are facing a challenging time placing staff on site, just reach out and our team will support you instantly and from anywhere. to day tasks. Our brands have guidelines versus standards, allowing us to adapt and to maximise the success of your project.
